

Strengthening Social Impact through Collaborative Research

2025 Society for Social Work and Research (SSWR) Fellows

Congratulations to the 2025 class of SSWR Fellows! SSWR Fellow is an honor to recognize current SSWR members for their individual accomplishments, leadership, and contributions to SSWR as a scientific society. SSWR Fellows serve as role models and mentors for individuals pursuing careers in social work research and help advance the mission of the Society for Social Work and Research "...to advance, disseminate, and translate research that addresses issues of social work practice and policy and promotes a diverse, just, and equitable society."
